

Dear Friends,

Samaritan's Feet International is excited to announce we will be bringing Hope through the gift of shoes to the Columbus community through our One City Columbus: Destination for Impact Event to be held in 2023 in Columbus, OH.

Our goal for this year's event is to fund and distribute the gift of new shoes and inspire hope for 4,000 children, adults, and seniors. We need your help to reach this milestone. Samaritan's Feet is creating a servant leadership legacy around the world by engaging people of all backgrounds to serve their fellow man as a symbol of shared humanity.

Samaritan's Feet has identified communities throughout the United States and has designated those cities as targeted Destinations for Impact to expand Samaritan's Feet's footprint of service. This One City will not only focus on the distribution of shoes, but also on bringing neighbors, religious leaders, community influencers, and public service personnel together to inspire empathy and unity.

One City: Destination for Impact events typically serves between 200 and 4,000 people. No matter what the cause, Samaritan's Feet wishes to expand our footprint in your city and bring hope and dignity to the community and those in need with a gift of Shoes.

Samaritan's Feet is a non-profit 501(c)(3) that is working towards serving 10 million people by the end of 2023. Since our founding in 2003, Samaritan's Feet and its partners have distributed over 9.4 million pairs of shoes in 109 countries and over 560 U.S. cities.

Please see opportunities in the following pages. If you have any questions, please feel free to contact me ([dcoxroush@samaritansfeet.org](mailto:dcoxroush@samaritansfeet.org)).
